

Who Walked Here?

Draw a line from each track to its owner. One of them came from a pair of boots.

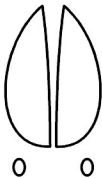

Black bear

Five toes in a curve, wide pad

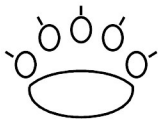

Elk

Rounded toes, about 4 inches long

Hunter

Lugs. Laces. Coffee.

Mule deer

Pointed heart shape, about 3 inches

Coyote

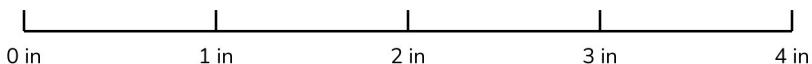

Four toes, claws show, oval shape

Moose

Huge and pointed, with dewclaws

A real bull elk track is about this long. Measure the next one you find.

Answers, top to bottom on the left: Elk, Mule deer, Moose, Black bear, Coyote, Hunter.
